ABOUT SLEEVELESS THEATRE

Sleeveless Theatre is a collective ensemble based in Northampton, MA which creates original political comedy that appeals to the undecided and uninformed, as well as the actively committed. Our goals are education, relief and entertainment -- igniting and uniting people around a common cause. We intend to share our vision, whether it be advocating peace, demanding reproductive freedom, or retelling women's history, with as many people as possible. We will continue to experiment and take risks as we learn from our audiences and grow as a company.
